

NYC Airport Shuttle Buses

With coverage across the five boroughs the shuttle buses service JFK, LaGuardia and Newark Airports.

The fleet of buses spend over 80 hours a week each on the roads and at the airports.

Options for signage include:

- side wraps
- back wraps
- full shuttle wrap (including the roof)

Each shuttle bus can be fully or partially wrapped. With up to eighteen units available DEC's can reach into the millions.

The buses are available for short or long-term contracts on a monthly basis with discounts for multiple units.

Pricing (based on a three-month min contract):

Space Costs:

- One-Side: \$1,500 NET per Mo.
- Two Sides: \$2,500 NET per Mo.
- Back: \$1,000 NET per Mo.
- Full Wrap: (includes Roof): \$3,500 NET per Mo.

Please Note: Production is not Included
